Dear Ms. Bacon:

Identification Number: C00420760
Reference: 30 Day Post General Report (10/19/06 - 11/27/06)

The following is our response to your preliminary review of the report referenced above.

1. Schedule A - Failure to file one or more 48-hour notice regarding "last minute" contributions received by our committee.

Rai Saint Chu contribution was an in-kind contribution for a catered event held at her home on October 18, 2006. Enclosed is a copy of the flyer regarding the event reflecting the date. The report has been amended to reflect the proper date.

NARAL PRO-Choice America was a contribution that we did fail to report timely but we caught and sent a letter on November 24, 2006 explaining that we inadvertently missed the notice but we could not file it electronically so we filed a paper copy. A copy of the letter is enclosed for your review.

Linda Estes contribution was erroneously reported twice, once on October 30th and again on October 31st. The actual date of received was the 31st. See an enclosed letter dated November 24, 2006 explaining the duplication.

Robert Eves and Jan Yanehiro was an in-kind contribution for a catered function in California held on October 22, 2006. We inadvertently missed reporting this in-kind contribution.

The committee is taking steps to ensure for future events that all in-kind events are properly and timely reported the contributor and the committee. The committee is making efforts to inform its staff of the reporting requirements and the importance of the requirements during any election cycle.
